

Entity Framework Core 2: Mappings

GETTING TO KNOW THE SAMPLE MODEL

Julie Lerman

MOST TRUSTED AUTHORITY ON ENTITY FRAMEWORK

@julielerman thedatafarm.com

This course provides intermediate level lessons as a follow-up to

Entity Framework Core 2: Getting Started

by Julie Lerman

This course helps those with experience in earlier versions of EF and EF Core, and developers completely new to Entity Framework. Learn how to build data models with EF Core and use EF Core to let your software interact with data in your databases.
